SPRAY PAINT COLORS!**

STEP 1

Cut your Mylar down to 2 sheets of 14W x 11.5H.

STEP 2

Tape stencil down, cut away the black with exacto knife.

STEP 3

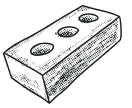

Tape 2nd stencil down on the other piece of Mylar, cut away the black with exacto knife.

STEP 4

Place Cut Stencil, spray orange spray paint in a thin layer 6-8 inches from surface. Let dry 30 sec before removing. (Make sure "Chattanooga" stencil goes first.)

STEP 5

Remove stencil, let dry for 5 minutes.

STEP 6

Place 2nd stencil on top, use the orange brick as a reference point to line up the stencil. Spray black spraypaint in a thin layer 6-8 inches from surface. Let dry 30 sec before removing.

STEP 7

You have successfully created a spray paint stencil! Don't get too hung up on it being "perfect" embrace the grunge and imperfections!
